Reading Exam

3rd Semester 2019/2020

Grade – 7–English – Mr. Mohamed Abdulhafez

At the Airport

1.

When travellers arrive at the airport, the first thing they need to do is to check-in. They go to the check-in desk. They will need to have their ticket and passport ready to show so that they can receive their boarding card.

2.

Before taking the flight all the travellers have to go through security control. Hand luggage is checked here by the X-ray machines. All the travellers must walk through a metal detector, a machine that can tell if metal goes through it.

3.

After the security check, travellers wait in the departure lounge until their flight is ready to leave. When it is time to go, passengers go to the gate. They show their boarding card to get on the plane.

4.

During take-off and landing there are certain things travellers have to do. First of all, they need to put their bag in the lockers. They also fasten their seat belt, put away their table and move their seat back to the upright position. During the flight they can lean back their seat to rest.

5

After the plane lands, all the travellers get off the plane and head towards the baggage reclaim area to get the luggage that they checked in. Next, all the travellers go through customs. Finally, they all arrive at the meeting point in the arrivals lounge.

At the arrivals .5

After the plane lands, all the travellers get off the plane and head towards the baggage reclaim area to get the luggage.

,Hi Maryam

Great news! My family is going on holiday to Hvar next month. I thought Hvar was in France or Italy, but I am wrong. It is in a country called Croatia. The people who come from there are called Croatians. Have you ever been there? I haven't, but I'm really excited about going

My cousin, Hessa, is living in Dubrovnik at the moment and she told me all about it. Dubrovnik is one of the biggest cities on the Croatian coast. She said that it will be summer when I arrive and that the weather will be hot and there will be a lot of sunshine. She said that Hvar is one of the biggest islands on the Croatian coast. It is the perfect place to go on holiday because it is great for sightseeing tours

Hessa said she often visits the Old Town in Dubrovnik and the islands just off the coast. She told me they are amazing. She has also been once to Split's Old Town to see the Diocletian's Palace. She told me that the palace is very old and that the seafront in Split is modern and exciting. She said she is really enjoying her time in Croatia. I can't wait to go

See you soon. Oasha

her cousin to visit both of them

The Weather in the UAE

The climate of the UAE is a desert climate with hot summers and cool winters. Most of the days are warm and sunny. However, in the middle of the summer, in July and August, it is very hot.

In the UAE, summer season starts in late May and lasts until September. The weather is hot with temperatures that can reach up to 45°C. During the winter season an average daytime temperature is 25°C. The maximum temperature is about 30°C, while the minimum temperature is around 15°C. The UAE's climate is very dry. There are sometimes sandstorms, but it almost never snows. It rains mostly during

daytime temperature is 25°C. The maximum temperature is about 30°C, while the minimum temperature is around 15°C. The UAE's climate is very dry. There are sometimes sandstorms, but it almost never snows. It rains mostly during the winter period. The UAE has an average of 5 rainy days in a .year with the occasional and short showers of rain

The most pleasant time to visit and travel around the UAE is during the winter season. The winter season in the UAE is from October to March. This weather is perfect for sightseeing and free time outdoor activities. The spring and autumn months can also be great times to visit the UAE. During the spring months, from March to May, the temperature rises. During autumn months, starting from September, the temperature begins to fall .steadily
